Team Discussion

A. There is a strong possibility that the reauthorization of IDEA will potentially require the use of RTI for pre-referral, referral, and eligibility. Meet and discuss the follow with your school/district team.

- 1) List at least three concerns your school/district has regarding the use of RTI for these purposes in your school/district.
- 2) What supports, training, and resources does your school/district team believe are necessary to implement RTI that meets the legal obligations of IDEA?

B. Review your current pre-referral (e.g., teacher assistance team, student study team) process and paperwork with the team.

- 1) What components currently align with IDEA's expectations for RTI in special education as outlined in the article?
- 2) What components need to be adapted, removed, or added to meet the IDEA obligations of RTI's in meeting IDEA expectation?
