The Wyoming Department of Education, Vision Outreach Services would like to invite you to the 17th Annual Wyoming Rendezvous. Please join us for a fun-filled day on the ice at The Casper Ice Arena and the opportunity to create your own masterpiece doing arts and crafts. Students can choose to have their creations submitted to a national art contest for people with low vision and blindness. Come share a fabulous day in the company of other students with visual impairments from across wonderful Wyoming.

It is our goal to see students, parents, primary caregivers, friends, family members, teachers for students who have visual impairments, administrators and service providers attend this event. We are very excited for this new rendezvous experience and the opportunity to once again meet in person. We can't wait to see you there!
